

MOVING YOUR WINES INTO EUROPE...?

KREGSPEDI IS YOUR SPECIALISED LOGISTICS PARTNER!

Europe, your dream market?

Europe is a growth market for you - but you're running into a lot of transport problems and logistical barriers. Customs formalities, administrative procedures, and legal constraints are additional obstacles. Often, they differ from country to country. And still you want your products to reap the success they deserve in the 'old continent'..

Closer than ever before

Call on the logistics expertise and experience of Kregspedi. We look after the transport of your products to the heart of Europe. From Australia, South America, and South Africa, we organize the forwarding of your wine containers from your vineyards to Antwerp, Belgium. From Australia, we also offer consolidated containers exclusively for wine.

KREGSPEDI, YOUR LOGISTICS PARTNER FOR WINE SUCCESS IN EUROPE

E.D.C.: European Distribution Center for New World Wines, in Antwerp

General Freight Forwarding: We organize the logistical chain between your production facilities and your customers. Our staff of experienced forwarders can provide you with competitive solutions for every logistical problem you might have.

Customs Brokerage:

- Kregspedi has direct computer access to the Belgian Customs Authorities. All documents are issued online.
- We are updated daily on the EU's evolving legislation, and we will inform you of any change that concerns your business.
- Our E.D.C. is a bonded warehouse, a VAT entrepôt and an Excise entrepôt.

Fiscal VAT representation: Kregspedi can act as your fiscal representative for the VAT, allowing you to sell DDP (import duties included) to your customers in the EU.

Transport: For every destination in Europe, Kregspedi has selected a limited number of hauliers, both domestic and foreign, that have proven to be reliable at the best price/quality ratio.

YOUR WINES SUCCESSFUL IN EUROPE...?

KREGSPEDI IS YOUR
LOGISTICS PARTNER

www.kregspedi.com

Your stock available in the center of Europe

Moreover, Kregspedi's *European Distribution Center for New World Wines* - in Antwerp - is the ideal base for your own marketing and sales efforts. We store your wines under the best conditions - and, while they are always your property, they remain ready to be delivered within a couple of days to your customers throughout Europe. Re-packaging, palletizing, preparing samples ... are all part of the support that we offer you in Antwerp.

You sell, we support.

Partnering with Kregspedi means you and your customers come out on top. Your stock is available centrally in Europe. You capitalize immediately on market trends and respond instantly to the growing demand for your products.

National borders are no problem: Kregspedi guides you through all legal and administrative obligations and procedures. We also ensure that your products are right on time where they ought to be: with your customers. How do we do this ...? With our own European transport organization!

Visit www.kregspedi.com and explore in detail how Kregspedi's logistical strengths and expertise support your marketing and sales efforts in Europe.

Wine transport and storage? A specialty in its own right!

Kregspedi has extensive expertise and experience in handling wine products. We are the preferred logistics partner for Pipers Brook Vineyard (Tasmania), Kreglinger Wine Estate (Melbourne), William Fèvre (Chili), and a host of European wine importers.

Antwerp: key gateway for the distribution of your wines in the EU

Kregspedi's *European Distribution Center for New World Wines* is located in Antwerp - a logistical interchange of international stature. Your wines arrive in one of Europe's leading ports, only 45 km from Brussels, the capital of Europe. The neighbouring countries - France, Holland, Germany and Great Britain - are all just an hour or two away. Your wines can be forwarded in no time from Kregspedi's *European Distribution Center for New World Wines* throughout all the member countries of the European Union.
